

HSE Policy

This policy has been developed to be consistent with the company work activities, ethics, and shared values.

We are committed to

- *Provide a safe and healthy workplace.*
- *Encourage our employees, contractors and guests to respect the environment for preventing potential hazards.*
- *Ensure all personnel have the awareness and knowledge to carry out their tasks that meets the requirement and statutory obligations.*

We will set goals, measure processes, and communicate results of all concerns to minimize the associated hazards to an acceptable level and thereby continually improve our Health, Safety and Environmental (HSE) performances.
